No. 43 of a Series

EVERYBODY KNOWS THAT APPOMATTOX IS A GROWING TOWN. LET THEM ALSO KNOW WE TRY TO MAKE . . .

Appomattox A Beautiful Town

Spring is clean-up time all over. People get the urge this time of year to get out and clean up the litter of the long winter months. You can't get started on all the wonderful new plans you have for this season, until you have gotten rid of the collection of trash, paper, debris and odds and ends that have gathered in the back yard, the porches, the basement, the attic and closets.

The Appomattox Town Truck and town workmen are at your service right now! Call the Town Office when you have a load of trash to be hauled away. Call by 8:30 in the morning. This is the annual clean-up period in Appomattox, sponosred by the Town Council and the Garden Club and other civic organizations. We urge you to cooperate.

And then when you have claned up the accumulations of the winter, how about looking around to see how you can improve your property. That is the way to get a good looking community. A bit of paint here and there. A repair job on fences and buildings. Improvements are in order in many cases. Now is the time to make them. And Appomattox is fortunate to have business places greatly interested in supplying your needs for a clean-up and beutification program . . . whether it be a new garbage can or a bank loan for building improvements!

This is not a one man job. It is a community project. It is attempted at this time every year and as the community grows, the size of the task increases. We are all for a beautiful town, so we can hold up our heads in pride when visitors come and neighbors look around to see that YOUR property is an asset to the general appearance of the old home town.

Clean-up . . . repair . . . paint . . . improve. Let's work together.

4-H DAIRY WINNERS TO BE HONORED

Top ranking 4-H-er's among the 135,000 taking part in the 4-H dairy project will receive recognition in the 1955 national 4-H dairy award program.

A new national 4-H awards donor, the Larro Sure Feed Division of General Mills, will provide the awards on the county, state, and national levels. State winners will receive a trip to the National 4-H Club Congress in Chicago next fall, and six national winners will be presented $300 college scholarships each. Medals will be made available to the four top members in each county.

In Virginia, some 22,000 club members are enrolled in dairy projects.

In Appomattox County 15 boys are enrolled. They work with their own animals, feeding and caring for them while learing modern dairy production methods. They take part in demonstrations, judging, tours, exhibits, public speaking, and other related activities which give them a better understanding of the dairy industry.

Often, 4-H club participation has led to profitable father-son partnerships in the family farming operation, and many of today's successful dairymen got their start with 4-H dairy projects.

Easter Sunday fire destroys business section of Bowling Green.

AHS Newscast

By Jane Holt

Appomattox, Virginia
April 12, 1955

Dear June,

We are now back in school with about eight more weeks before we finish. After a nice vacation we should have the energy to complete our term with flying colors.

Thursday night was the big night here. Miss Yvonne Ferguson was crowned Miss Appomattox High School during the intermission of the Talent Show. Our show was quite a success. The most outstanding act of all was a newly organized band, composed of Frank Burke, Moses Dinkins, Wesley Carr, H. T. Wood and Bobby Barger. They set the town talking. After such a wonderful performance as they gave we hope that they wil lbe displaying their talent more often. The boys were terrific. The proceeds from the show are going to the Athletic Association and the Senior Class.

Last Tuesday afternoon our baseball team went to Brookville for their second game of the season. Here they chalked up another victory, 9 - 3. This afternoon the A. H. S. team meets Dan River as their opponent here at the ball park.

Today the Forensic Club met. Because of the money we made on our one-act plays, we have decided to have a hayride with a picnic on May 7th, at Holliday Lake. Teddy Mitchell, Joella Ferguson and Robert Leffers are going to provide our transportation. Edna Gregory, Peggy Henry, Lois Ashworth, with the help of Mrs. Runkle are to decide our menu, which is always of interest.

The F. B. L. A. held its regular monthly meeting today. Shirley Blanks provided a most interesting program. During the meeting plans were discussed concerning the matter of sending delegates to the state F. B. L. A. convention. This club will sponsor our weekly chapel program the 27th of this month.

The Senior class of Appomattox High School presents their annual play April 14th in the high school auditorium. "No Palce Like Home" is the title of this production, directed by Mrs. Louise Brown. The cast includes: Lucy Perdue, Mickey Guill, Robert Leffers, Ronnie Lewis, Shirley Blanks, Jane Holt, Edna Gergory, "Deetsie" Rothgeb, Jerry George.

This concludes the news around A. H. S. for now. Be looking for more news from me next week, same place.

'Til then,
Jane.

School Cafeteria Menu
